Complete Dispersal

300 Bred Angus Females

January 23, sale time 1 P.M.
Platte Livestock Market

180 Cows

100 head 4 year old commercial Angus cows coming with 3rd calf. Weighing 1300+ lbs. Everyone a top producer!

80 head 3yr old Angus cows coming with 2nd calf. Extra fancy big frame.

These cows were all bred as 2 yr old heifers and **calved on the Haines Ranch**. Their 2006 steer calf crop weighed 900lbs at 10 months of age. They have had all pre-breeding shots Poured with Ivomec and Pasture bred back to **Bando 598** sons, and sons of **Bon View Regal**. They start calving March 1 and preg-tested guaranteed safe with Calf. **Disposition second to none!** Cows have been running on range and are efficient high producing ranch cows. Reputation from end to end.

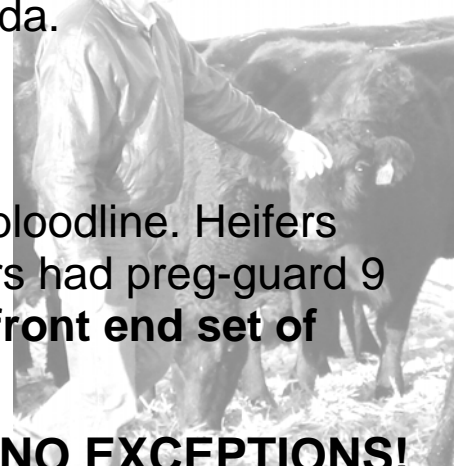

120 Heifers

Extra fancy 2yr old Heifers. All officially calthood vaccinated. Bred to easy calving Angus bulls, **ultrasound tested** by Dr. J Alberda.

80 head calf march 1 for 15 days
40 head calf march 15 for 21 days

Heifers are Montana origin sired by Vermillion Angus bloodline. Heifers average over 1100 lbs wintered in big pastures. Heifers had preg-guard 9 at breeding and poured with Ivomec in Dec. **Really a front end set of cattle with disposition the best.**

Every bred female on the ranch is at the auction, NO EXCEPTIONS!
